**Club Muzo**

I had the pleasure to attend ‘Club Muzo’ at Club Narooma last Friday night to witness some of our talented students in the performing arts area.

We had all types of music from singing to playing an instrument as well as students being MCs on display and all performed their respective duties extremely well.

A massive shout out goes out to Mrs Merindah Antill (Hurren) for all of her hard work and dedication to our music program. This performance was a wonderful showcase for all of your hard work!

Thank you to all of the parents and community members that attended this performance. It looked like nearly 200-300 people in attendance which was an outstanding audience for our students.

Recently, one of our talented students Tess Poyner attended the Atlas of Life in the Coastal Wilderness Bio-Blitz which was held in Tanja. Tess participated in the Science sections that were held on the day.

Tess also entered into the photography competitions and achieved some pleasing results. She was placed 1st & 3rd in the ‘Flora and Fungi’ section; 1st in the Under 16’s section and was placed 2nd overall out of every entrant and in every category!

Brilliant effort Tess!
