Presentation Night

Just a reminder, our Presentation Night is on tonight! The venue is Narooma High School’s hall as in previous years.

Parents and students are asked to be at the venue early to be seated by 7pm. Doors will be opened at approximately 6:45pm.

2015 structures

Our school has commenced planning for 2015. The first item that we are looking at is whether we can sustain our numbers via the DEC formula to maintain our current class structure or if we need to plan for one less class. We have finalised our Kindergarten enrolments and, coupled with our Year 6 children leaving the school, we are borderline at present.

If you will be moving away from Narooma at the end of the year and your child will not be attending Narooma PS in 2015, could you please advise the school office in writing or see me as soon as possible as these numbers have a significant impact on the formation of the number of classes via the DEC formula.

With these structures yet to be determined, the school won’t be able to announce any 2015 planning until we return from the holiday break and see what changes have also happened over the holidays. This time is traditionally the time that the school sees the most change.

Thank you for your anticipated cooperation.

Congratulations SRC!

Our end of year disco held by the SRC was a huge success! Money was raised to assist with the Club Narooma’s 100 year ANZAC display which is a worthy cause.

Thank you to the P&C, teachers and parent helpers who assisted on the night. All children certainly enjoyed the pizzas, cheeseburgers, sausage sizzle etc. However I do believe the highlight of the evening was a visit from Mr Burnside; oops I mean Santa Claus.

Thanks Bob for taking the time to come up and celebrate the end of the year with the children.
