School ANZAC Day Ceremony

Firstly, I would like to thank all the parents and friends of the school who attended our school’s ANZAC Day Ceremony last Friday. Unfortunately, the ground was far too wet to have this in our amphitheatre, however it was a wonderful service in the hall.

A big thank you goes to Mr Paul Naylor, Mr Jon King, their partners and Mr Trevor Bennett, for representing Club Narooma at our service. We thank Mr Naylor and Mr King for their ongoing support of our school and for providing the prizes for our Stage Three writing competition.

Thank you also to Miss Michelle Garcia, our music teacher who came in on her day off to conduct the classes singing at the assembly. This was truly a wonderful touch to the ceremony.

Finally, well done to the children who were well behaved and showed genuine respect for the occasion.

Town ANZAC Day March

It was wonderful to lead with our captains and such a large group of children in the March on Saturday. All children should be congratulated for their behaviour and the way they represented the school.

The captains performed their flag bearing jobs well and assisted in making the 100th year of the Gallipoli landing a memorable service.

Our choir led by Miss Garcia and Mrs Antill performed outstandingly! I was certainly proud to be the Principal of our great school.

Parents can see some photos on our website and Facebook page.

Appeal for Nepal

With the devastating news in the media regarding the earthquake in Nepal, our school will be organising a collection for any donations to assist the people who have found themselves homeless or affected by this natural disaster.

Donations of bed sheets, clothes, tents, money etc. will be collected at the office for the next two weeks. One of our school families will be co-ordinating this effort.

Our SRC will meet next week to discuss this issue.

* Kindergarten and Year 1 line up outside their classrooms
* Years 2,3 and 4 will be found in the COLA area outside the hall
* Years 5 and 6 line up outside their classrooms.

* At the 2.55 pm bell, teachers will escort children to their buses. Children who walk home, go to After School Care or are picked up will also be dismissed.

Children who catch the Mystery Bay, High School, Akoale and Tilba buses go to the western end of the library where the bus duty teacher will collect them. They will then wait in the Computer room with the duty teacher until their buses arrive.
