100% Attenders!!!

It is once again pleasing that the list of children I publish for 100% attendance in Term 2 is as large as the list I published last term. This means that the below children have attended school every day possible in Term 2, only having time out of the classroom for school related business.

Please note that the Department of Education has now excluded family holidays during school time as a legitimate reason to be absent from school.

ICT Improvements Continue

Over the holiday break, our school commenced the final stage of work in the attempt to make the school completely wireless. This will allow all classrooms to access the internet, school & department servers as well as allow all children to be on a device at the same time.

This will provide greater opportunities for children at Narooma PS to access 21st Century learning technologies and lessons keeping our children up-to-date with the latest developments in education and learning.

Hopefully with the Government’s roll out of NBN in the future, our school will be able to utilise our technology to its fullest capacity thus assisting all students with their learning.

District Athletics

Our school will once again send a strong squad of children up to Batemans Bay for the running of this year’s annual District Athletics Carnival. This event will take place on Friday, July 24!

Good luck to all competitors! I know you’ll all represent the school proudly.

Paul Kelly AFL Cup Finals

Unfortunately, the Paul Kelly AFL Cup Finals which were scheduled for last Friday in Batemans Bay were postponed due to the inclement weather.

Once a new date has been decided, we will pass on the information to all those involved.

Staff Information

Mrs Jeannine Russack has taken sick leave and it is anticipated that she will be returning to her normal duties on Tuesday, August 18. During this time, Mrs Narelle Constable will be taking the Dolphin’s class full time.

I know the community will join me in passing on our best wishes
to Mrs Russack and we all hope for a speedy return.

**High School Visit**

Narooma High School has commenced its transition to school program and visited our school to speak to our Stage 3 students.

Ex-students from Narooma PS spoke to our children about their experiences of going to High School and dispelled many myths associated with 'scary stories' about being the new kids in High School.

Later during this year, our children will visit the High School and participate in a range of activities designed to familiarise them with high school.

More information will be provided in the future.
