Captains & Sports Leader’s Induction Assembly

Last Thursday afternoon, we held our School’s Captains & Sports Leader’s Induction Assembly where the elected children were presented with their badges.

The following children received their badge which was presented by a parent or family member. It was great to see so many community members at the school to help celebrate the children’s induction:

School Captains – Sienna Anderson, Erica De Heaume, Kurtis Carlson & Oscar Newton

Corunna Captains – Kanoie Holland & Oscar Carr
Corrunna Vice Captains – Shanaya Tunks & Jacob Sultana
Mummaga Captains – Milaina Café & Jack McCaughtrie
Mummaga Vice Captains – Bayley Hordpenko & Ruben Colom-Davis
Nangudga Captains – Sami Dawson & Will Dawson
Nangudga Vice Captains – Minnie Lloyd-Bolt & Liam Mahony
Wagonga Captains – Kailey Jorgensen & Joshua English
Wagonga Vice Captains – Teagan Nicholson & Byron Lonsdale-Patten

All children recited the pledge and I’m certain will fulfil their leadership duties with honour and pride.

Toilets

Unfortunately, our school has had numerous incidences in regards to vandalism and inappropriate behaviour in the toilets.

Toilet paper and other rubbish being shoved down the toilets blocking them; Wet toilet paper has been stuck onto ceilings and wall; toilet paper wasted and piled and thrown around the place; water taps being left on full blast; soap dispensers emptied and making the floors slippery … the list goes on.

The school has spent a considerable amount of money to unblock toilets and to clean the areas of late. We are having a blitz in this area however monitoring of toilets isn’t on the agenda. I would hate to have to close down bathrooms continuously as they are unhygienic.

I urge all parents and caregivers to discuss with their children appropriate usage of the toilets please. Explain your expectations, which I’m sure mirror the schools and hopefully we will reduce and/or eliminate unpleasant consequences in the future.

Recycled Bottle Greenhouse

During Term 1, two students from the University of Canberra (Master of Occupational Therapy) are working with our school and the Narooma Community Garden group to construct a plastic bottle greenhouse which will be used by us for growing seedlings for our gardens. We are seeking donations of the following materials to help build the greenhouse:

- 4" x 4" posts - 8ft long
- 2" x 2" timber for frames
- garden canes
- hinges for door
- 4" and 3" screws
- fencing staples
- postcrete
- 1.25L plastic bottles

We would be grateful for any contributions towards this project.
